Worship Survey

The Pine Street Baptist Church worship committee is inviting you to complete a worship survey during the month of July. The survey will help the committee and staff better understand the current worship life of the congregation. You may pick up your survey from the worship committee table before and after the 11:00 am worship on Sundays. You may also pick up your survey from the staff on Wednesday nights. Your survey will be returned the same way you received it. Please take time to give your honest feedback on the survey.

Celebrating 26 Years

On July 1st, Dr. Philip Turner will celebrate his 26th anniversary as pastor of Pine Street Baptist Church. We have been very blessed to have him as our pastor and friend to the community. As we continue to grow and serve the community we look forward to many more years with him as our leader and friend.

Conversations from the Couch

You don't have to sit on an outside Oregon Hill couch, but the pastor would like to visit you in your home to hear from you personally about your thoughts, hopes, worries, and dreams for Pine Street Baptist Church.

Each Monday, beginning June 12, Philip will be making two visits to the homes of church members.

There will be no surprise drop-ins but you can sign up for a time on any Monday of your choice. The time for the two visits will be:

10:00 am and 2:00 pm

You may sign up on the downstairs bulletin board if you would like a visit.

If you need to cancel you may call the church.

The conversations will continue throughout the year.
